Fabric & Printing

Fabrics currently in stock, and the printing and customisation methods available on them.

Fabric

NAME	TEXTURE	TYPICAL USE
 Cotton Canvas	Sturdy, natural weave	Totes, everyday bags, custom print or hand-paint
 Denim	Heavy-duty, structured	Durable shopping bags, statement totes
 Non-Woven	Lightweight, cost-effective	Retail/shop carry bags — checkout counters, store hand-outs
 Poly-Cotton	Soft, blended, versatile	Mid-weight totes, printed/branded bags

Printing

NAME	BEST FOR	TYPICAL USE
 Screen Print	Bulk runs	Best value at volume — a single piece is possible too if the screen setup cost is covered
 DTF Print	Any quantity	No screen needed, so no setup cost either way — good for detailed, multi-colour or photo artwork
 Embroidery	Logos & text	Premium, durable stitched finish — suits corporate and branded bags
 Hand-Painted / Custom Artwork	Single pieces	Fully manual, no setup cost — one-of-a-kind, personalised designs
